

## **Lowest Cost Guarantee**

The latest Competitive Price Survey proves that Branders saves you 20% on average over other competitors and we stand behind our great prices with a lowest cost guarantee. Place your order today with confidence that you'll get the lowest price. If you have found a lower published price, we'll match it. If you find a lower published price within 30 days of your order, we'll refund you the difference in the price of the item. Just send us a copy of the ad or website page showing the lower price for the same item and we'll expedite the processing of your refund. The lower price found must be for the same product, order quantity and delivery schedule (i.e. rush vs. standard delivery). If the Branders base item price includes decoration costs, the competitor's quote must also include the decoration cost. Price guarantee applies to the item price excluding shipping costs, handling charges, taxes and additional setup and decoration costs not included in the base item price.
